Clay T. Hudgins Dead

News has been received here by H. T. Brewer of the death of his brother-in-law Clay T. Hudgins in the service of his country. For some time the family have been solicitous concerning Mr. Hudgins for they were authentically notified at the proper time that he was wounded in action July 18th at Soissons, France. The last letter that his wife had from him was written just prior to that date. Inquiry had been made from the commander of the marine corps to which he belonged and the answer was that there was no record further than that he was wounded in action on the eighteenth of July. But Mrs. Hudgins has just recently been notified officially by telegram that her husband is dead and letter will follow with more particulars. Mrs. Hudgins is the daughter of Mrs. H. C. Brewer, was born and reared in Huntingdon and her mother and brother still reside here.

Marchbanks--Murphy

News has been received here of the marriage of Mr. Clarence Marchbanks, of Benton county, and Miss Alba Murphy, daughter of Mr. and Mrs. L. D. Murphy, of Buena Vista, which occurred in Nashville at the Maxwell House. The young couple stole a march on their friends by slipping away to Nashville and marrying without letting their friends know anything about it, the bride not even informing her parents of her intentions when she left home. The bride is the daughter of a prominent physician of the county, and formerly attended school in Huntingdon at the I. T. S.

Health Better Than In Years

Wouldn't Take \$1,000 for What Meritone Has Done for Him

"I feel better than for five years since I've been taking Meritone and I want to let others know what this medicine has done for me," said W. K. Kirkpatrick, of 5102 Illinois avenue, West Nashville.

"For five years I was bothered with a soreness in my stomach and pains in my leg and I think I tried every medicine on market, but nothing gave me relief. Why, I've got a bushel basket of empty bottles of medicine I've taken."

"Meritone is the first thing that really helped me. I've taken one bottle now and it has made me feel better than for five years and I wouldn't take \$1,000 for what Meritone did for me. In fact, this one bottle of Meritone has done me more good than all the other medicines put together."

"I'm going to tell all my friends about Meritone."

The fame of Meritone has spread with such astounding rapidity and such marvelous sales have been made that old and experienced drug men are amazed, but it's all due to Meritone's real merits.

Meritone is excellent for stomach, liver or kidney trouble, catarrh, rheumatism, nervousness or for building up a strong system.

Meritone is sold exclusively in Huntingdon at Patrick Drug Co.

Velvet

THE FRIENDLY TOBACCO

THERE may be some things that can be done well in a hurry, but pickin' a wife an' agein' a tobacco ain't amongst 'em.

Velvet Joe

We put away millions of pounds of fine Kentucky Burley tobacco every year, stored in wooden hogsheads. It ripens two years. When we take it out it's *different*—Nature has improved it, good as it was—made it *friendlier*, more fragrant, cool-smoking, long-burning.

Nature has given it a *delicious* quality of mildness and fragrance that no artificial means can ever equal.

It's just that *extra* touch of friendly goodness that is building up VELVET Tobacco into the favor and good will of thousands of pipe smokers who prefer to smoke tobacco cured in Nature's way.

You would notice the difference.

Roll a VELVET Cigarette
